

How to enter a comp listing in Bright MLS

SELLER SIDE

Enter as you would any other listing. Visit brightmls.com/AddListing for instructions.

BUYER SIDE

If a Greater Piedmont REALTORS® (GPR) member is on the buyer side, visit brightmls.com/CompListings for instructions to enter the listing for comparable purposes and to receive credit for your sales/transactions.

If you would like to receive credit for your production since January 1, 2022, you must retroactively enter the listing to get credit. It will then be visible on your production reports in Bright.
