### **Referral Process**

A referral must be submitted prior to or at the time of application. Referrals may be submitted via the GPR referral form, by email to the association office, or by listing the referrer's name on the membership application. Only one referrer may be credited per new member. A referral is successful once the application is approved and dues are paid in full.

**Eligible Referred Members:** New REALTOR® and new Affiliate members who have not been members of GPR within the previous 6 months. This excludes renewals and reinstatements. Self-referrals are not permitted.

### **Incentives & Recognition**

Referral incentives are established annually by the Board of Directors.

Referrals for 2026 include a \$40 credit toward their 2027 dues for REALTORS® and \$25 credit toward their 2027 dues for Affiliates. Incentives are non-transferable, have no cash value, and may not be applied retroactively. The referral credit is successful only when the new member pays their dues in full.

When dues invoices are released for 2027, the referrer will pay them in full and work with the Member Experience Director to get a check issued for their referral fee.
